## Using ParentMail for Dinner Bookings

To get started with dinner registers, head to the Accounts section of the app, this will be in your lefthand menu.

If you click here, you should be able to see your students on the right-hand panel. If you have multiple children at the same school, they will all show here.

You can see the child's name in the green bar, and then the balance is on the right hand side (Your school might be using Instant Pay - In this case, you will have to pay when you book, you won't have a balance)

Clicking on this brings up the Calendar View for you to make bookings.
At the top you can see the register name, and you can also see what child your making selections for- their name will be just underneath the register name.

In the green bar below this, you can see the Meal Selections and how much it costs per day as standard.

The Calendar View will show you what days you can book for -
White days are unselected, Green days you've already chosen and paid, and the Orange days you have in your basket, pending payment.

Click on a day and you will be presented with your choices.

You will have all your menu options listed here for you. You will just need to simply tick your selection for each day.

When you've finished, click 'Pay Now'. You may also have an option to Pay Later, depending on the register, this option will be in grey if it is available.

Note: You may be offered if you'd like to repeat your selections, if they are exactly the same for every week.

Once you click on Pay Now, you'll get asked to review your selections.

## Please review your selections

Scroll down, and press Back to make changes, or Confirm to proceed to payment.

You'll be presented with your basket - You might have some other items here too, if you have bought anything. Press Remove to take any item out of the basket.

If you pay for your meals, Press Checkout to proceed to the final payment screen.

If you don't pay for your child's meals/clubs, Press Complete to confirm your selections.

| Basket Summary |  |
| :--- | :--- |
| Items in Basket | CLOSE |
| ParentMail Lunch - Week \#151 (16-Dec-2019 to 22-Dec-2019) <br> - Rachel Wright <br> Quantity | XREMOVE |

You'll then get a confirmation that your selections have been applied.

For paid meals, you'll head to the Checkout screen, where you can choose how you'd like to pay.

You will receive an order confirmation via email after your payment has been completed.
