- 14th Valentines Day
- 17th Lunar New year - Horse
- 17th Shrove Tuesday

Number Day

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 6 February 2026**.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

Basil Class News

Basil class have had a lovely return to school after Christmas and have been enjoying our Travel and transport topic. In CLL we have been enjoying a room on the broom sensory story, and this has also been shared into our music therapy sessions with Simon which Basil Class all seem to really enjoy. In PSHE we have been looking at self-care, we have been exploring different objects that we can use for self care.

We are having a fun day of maths activities, having a number cake sale and we will be taking part in Dress up for Digits. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

If you would like to donate, please send in a donation to support NSPCC's work in a sealed envelope.

Spare Clothes

With the current weather, please remember to send your child in with waterproofs and a set of spare clothes.

If you have any spare clothes that your children have grown out of and no longer need, we would be very grateful for any donations!

Evidence for Learning

For more information about what your child has been learning about please visit the Evidence for Learning Family app. You can also share images or videos of what you have been doing for your child's class teacher to see.
