Class News: Grove 1 Class Edition

Each month a different class will be featuring in the Newsletter. This month it is the turn of Grove 1! In Grove 1 we have a particular focus on life skills and Preparation for Adulthood. We are making steady progress through our qualifications work but we particularly enjoy hands on practical subjects such as Cookery, Enterprise and Physical development. We have been focusing recently on 'Working as a team' and 'Preparation for work'.

We are also a very helpful class; we wash, dry and put away all the lunch time dishes for the Grove, we do the recycling and housekeeping tasks!

A particular highlight for us has been our hard work in Selworthy Spuds project and our hands-on activities which help us bond as a team.
