31<sup>st</sup> - Halloween

## Parsley Class News

Parsley Class have had a wonderful start in their new classroom! The children are settling in really well and are becoming familiar with our daily routines. We have been focusing on supporting everyone to feel safe, confident, and ready to learn each day.

It has been lovely to see the children engaging with activities at their own pace, exploring our classroom resources, and developing new skills. Many have shown great progress in following routines, taking turns, and working alongside their classmates.

We are proud of each child's efforts and achievements so far and are looking forward to more exciting learning experiences together in Parsley Class.

## Evidence for Learning

For more information about what your child has been learning about please visit the Evidence for Learning Family app. You can also share images or videos of what you have been doing for your child's class teacher to see.
