Class News: Grove 2

Learners in Grove 2 are settling well into their new class and teams. We are enjoying vocational lessons on Hospitality and Catering this year alongside Gardening (land-based). We are working hard on life skills and jobs around The Grove, making sure we build as much independence as possible. Existing Grove learners have made 'the new kids on the block' feel very welcome and have been very helpful and supportive in the settling in process, sharing the common room and showing us where things belong. We have particularly enjoyed doing the washing and using the 'flat' kitchen so far!

EFL

At Selworthy, one of the ways we capture learner progress is through EFL (Evidence for Learning). Teachers will upload a photo and comment weekly to your parent / carer account connected to learning. There will also be 'My week in Pictures' shared with you weekly. This is a snapshot of what has been happening at school in photo format. If you need a login for your EFL account please contact your class teacher or the school office.
