### Class News: Grove 3

Grove 3 have been busy creating a wonderful sensory story based on The Very Hungry Caterpillar. They have made large cardboard models of all the different foods from the story and spent time painting and decorating them. This term, the class has been enjoying using their creations during English lessons to bring the story to life. Grove 3 are very proud of their work and are looking forward to lending their sensory story to other classes in the school so everyone can enjoy it. 🐛🍌

On leaving Sixth Form, each learner receives a digital CV showing achieved skills and support needs, supporting families, employers and supported living providers.
